“They really enjoyed making the Period Poverty kits to fulfill such a big need. And everyone seemed to have so much fun! The volunteering made the night so enjoyable, and unique from any other business dinner. Definitely something we would like to replicate in the future.” -Stryker

“I never know where to volunteer and feel uncomfortable going somewhere that I am not familiar with to volunteer. I was so grateful that this was brought to a place where I was comfortable and able to help. This is a really smart way to get help. Please come back!” -Volunteer
